Hello Sarah,

I hope you are well. I just received the following notification that the request for a homeless encampment was opened on 03/02/2020 and closed today 03/03/2020. The area has not been set to a clean-up schedule. Can you please let me know why this was closed, because we need this to be on the next schedule and I know SR's need to be opened in order to do that.

Warmly,
